

Sample Schedule for Part-time Enrollment in the Center for Creative Change

Begin fall or spring quarter.

Classes are held Fridays through Mondays one weekend a month.

M.S. in Management and Leadership

M.A. in Environment and Community

M.A. in Organizational Development

M.A. in Communication

M.A. in Whole Systems Design

THE GATHERING

Prior to the first weekend of the program, new students attend an off-site retreat to build community and prepare for the program.

CORE COURSES

You complete the following core courses during the first four quarters:

- ▶ Communication Design
- ▶ Critical Inquiry
- ▶ Global Pluralism
- ▶ Systemic Thinking for a Changing World
- ▶ Sustainability
- ▶ Transformative Leadership and Change

CAUCUS

You join a half-day seminar with faculty and students in your degree program. Through these seminars, you apply a program-specific perspective to the interdisciplinary core courses during your first three quarters.

METHODS AND APPLICATIONS OF SUSTAINABLE CHANGE

You complete seminars of three consecutive quarters each.

Methods for Sustainable Change

In simulated situations, you explore current methods and theories to implement sustainable change. In addition, you do a case study of an actual change project in a business, organization or community.

Applications of Sustainable Change Capstone Change Project

You develop and execute a change project either in a team or individually, supported by a seminar facilitated by faculty and community/business leaders.

SPECIALIZATION COURSES

Each degree program includes required specialization courses and electives. Details are outlined on each program fact sheet.
