

# M.A. in Education with Elementary Education K-8 Teacher Preparation Option

## Orientation

Prior to the first week of class, new students attend the Center for Programs in Education orientation on the Seattle campus. Registration, e-mail accounts and student services information are covered, in addition to specific sessions designed for each education program.

## Courses

For specific examples of the course curriculum, please see the program fact sheet, available from the Admissions Office. For certification preparation only option, students must complete 64 quarter credits. For the combined preparation and M.A. in Education option, students must complete 72 quarter credits.

## Field Experiences

Before student teaching, students will be required to participate in 3 (three) field experiences in school classrooms during the day. These experiences are set up by the Director of Field Experience. Five full weeks are required prior to student teaching in addition to evening classes.

## Student Teaching

Students complete a student teaching internship in the last quarter. Antioch cannot promise to accommodate your school of preference. The Director of Field Experience will try to accommodate your district and grade level preference. Student teaching generally takes 12 weeks to complete.
