

Antioch University Seattle Library Authenticating through OPAL (Off campus only)

<http://www.antiochsea.edu/lib/databases.html>
<http://www.antiochsea.edu/lib/reference.html>

Direct links to EBSCO databases on the above web pages require authentication through OPAL. The procedure is slightly different than authenticating through OhioLINK.

1. Enter **last name** only in the first box
2. Enter “**anse**” plus seven digit **student number** in the second box
3. Click submit

OPAL Database Remote Authentication Page--Authenticating as Antioch patron.

To access the Antioch Databases, please login now:

Please enter your **last name**:

Please enter your library card number:
